

Lesson 8 - Appearance

Skin – It is what we see and what others see first. It is how we identify people. (We all have a picture ID).

1. How does Jesus say his followers will be recognized? John 13:35
2. In your experience, what does the Church look like to people you know who are unbelievers.

Brand says, “Let the world first see the beauty and feel the softness and warmth of the Christian community, and then let it realize the underlying internal framework.”

3. List some ways you think the Church can show love to others.

4. Read Matthew 14:13-21. Think about our theme of ‘appearance’ and what people see first as you read this. List the ways Jesus’ character appears in this miracle.
