

Lesson 9 - Go

Our bodies are made to move. The Body of Christ is also made to move. We are called to go. In order for our body to move properly, we need the following:

Strength

Review: What does the strength of our bones represent?

Health

Review: We saw in John 15 that health requires what kind of actions from the gardener?

For the body to move properly health is vital. What have we learned about the role unity plays in the health and movement of The Body?

Balance

Review: From the study on bones (truth) and the study on skin (grace), what have you learned about the balance we need in The Body of Christ.

Guidance

Read 2 Timothy 3:16-17. Where should the Church go for guidance in how we should move?
